Attn.: Mr. Brandon Lacap, Project Manager

RE: Notice of Award for DWR/SCDRP-funded Water Filter Replacement Design Project

Dear Mr. Lacap:

The City Council of the City of Westmorland took action to conditionally award Dudek the contract for the Engineering Design of the Westmorland Water Filter Replacement Project in their meeting of August 2, 2023, contingent on State/DWR approval.

On August 15, 2023, the City received notification that "...it is acceptable for the City to proceed with its agreements with consultants based on the commitment letter" which was dated November, 2022.

The award for the design of the filter replacement was made to Dudek in the amount of \$289,439 as contained in the Proposal. The Contract documents that you will need to complete and return to the City are currently being prepared and will be delivered to you for Dudek's signature which you can return for City signature. When the City has signed the Contract, you will be furnished a copy.

An initial/kickoff meeting is scheduled for Wednesday, August 23rd at 9:30 a.m. at City Hall. When the Contract is executed by the City and Dudek a Notice to Proceed will be issued. However, Dudek is allowed to begin logging attributable project activity hours as of this Notice of Award.

Please contact the City if you have any questions.

Sincerely,

Judith Rivera
Mayor

Cc Council
City Attorney
City Clerk
