CITY OF WESTMORLAND CITY COUNCIL REPORT

DATE: June 18, 2024

FROM: Laura Fischer

SUBJECT: Staff Report – Part-Time Manager

Finance:

Audits:

The City's auditor has submitted to the City a draft FY 2022 audit for review. The City's audit team has been working diligently to get all of the data requests completed and submitted to the auditors. Once FY 2020, 2021, 2022 and 2023 are completed, the auditors will present all four audits to Council. Audits should be brought before Council in July. Staff will prepare the data for FY 2024 audit which should be started by December 2024.

Public Safety Maintenance of Effort – ½ Cent Public Safety Sales Tax:

I have prepared the MOE forms with assistance from the County. The county is willing to pay for FY 2023 and 2024, but not willing to go further back. Will discuss with City attorney.

Administration:

<u>Meetings</u>. I met David Aguirre the Executive Director of ICTC to discuss the Love's development agreement and the improvements to Martin Street.

<u>HOME Monitoring</u>. We hired Raney Associates to perform the HOME Monitoring. I got an email from Ms. Jayne Rabb who stated the HOME monitoring will be completed next week and the report will be prepared and submitted to HCD prior to the end of June 2024.

Water Projects:

<u>Filter Project.</u> I continue to attend teleconferences with representatives from the Drought Relief funding program, and our consulting engineers. Mr. Hamby continues to work on this project to ensure the engineers are paid and reimbursements are received. He is also the lead (along with Ramiro) on reviewing the package submittal.

The next issue to be considered is how we want to connect the new filter system with our current SCADA system. Concern is that the current system is old and will need to be modified to include the filters. Mr. Hamby continues to work with the project engineers and will bring additional information before Council in June. We have a technical meeting scheduled next week.

<u>Water Plant Improvement Project SRF – Tanks and TTHM Removal System</u>. Staff ccontinues to meet and reviewed outstanding tasks.

Hours worked. Payroll is due Monday prior to Council.

6/3/24 to 6/17/24 total hours worked is 54 hours.

These hours included time working on:

- Audit
- Financial Analysis by fund for budget and reporting
- Meetings Funding Opportunities, Accounting Software, Water Projects, ICTC

Respectfully Submitted, Laura Fischer

CITY OF WESTMORLAND CITY COUNCIL REPORT

DATE: June 18, 2024

FROM: Laura Fischer

SUBJECT: Authorize the Police Department to Send the Chief to POST Field Training.

RECOMMENDATION: Authorize the Police Department to send Chief to POST Field Training.

FISCAL IMPACT: Per One Person ESTIMATES

 Registration:
 \$150.00

 Lodging:
 \$149.11 per night plus tax = \$600.00

 Mileage Reimbursement:
 \$250.00

 Per Diem Reimbursement:
 \$500.00

 TOTAL
 \$1,500.00

DISCUSSION: The City has hired two police officers that need field training. The City of Calipatria no longer can provide the field training for these two officers. We sent one police officer to the Field Training Class in June and he is now eligible and is currently training one of our newer officers.

The Field Training course need by our Chief is a shorter class and is going to be held in early July.

The City's police department has made a reservation to attend, and awaits Council decision to approve.

ONCLUSION: Staff recommends approval to send our police chief to Field Training class.

ALTERNATIVES:

- 1. Table this item, which will delay our new police officers having the ability to being qualified to perform police duties for the City of Westmorland.
- 2. Do not authorize our police chief to attend Field Training, which will delay the new police officers ability to perform the duties for which they were hired.

Respectfully Submitted, Laura Fischer

DISCUSSION:

The Proposed FY 2025 budget in the tables and charts above is based on several assumptions. These assumptions are pending further discussion and approval by Council.

ASSUMPTIONS ARE LISTED BELOW.

The assumptions should be reviewed carefully as the current budget includes the associated costs to implement them. Major components are:

- 3% Salary Increase for all FT employees To Be Increased in January 2025
- One Salary Increase for Water Clerk to \$17.50
- Fire Department paid call rate increased, shift rate increased.
- Additional personnel include one water/sewer operator
- Additional part-time maintenance for pool during summer
- Police Department is fully staff with Chief and Sargent with three officers.
- Authorization to hire all three new employees in July, 2024. Operator, P/T pool maintenance and Sargent.

Budget Details are attached.

Resolution is attached.

CONCLUSION:

At this meeting, staff is requesting that Council review the budget and Resolutions and request changes prior to the next Council meeting on June 18th.

ALTERNATIVES:

- 1) Don't approve Resolution 2024-09, which will require the Council to hold a special meeting to either approve a continuing resolution or the amended resolution.
- 2) Provide alternative direction to staff.

Respectfully Submitted,

Laura Fischer

CITY OF WESTMORLAND Report to the City Council

MEETING DATE: June 18, 2024

FROM: Laura Fischer, Manager

SUBJECT: Adopt Resolution 2024-12 Establishing Salary Schedule

ISSUE:

Shall the City of Westmorland City Council Adopt Resolution 2024-12 Establishing Salary Schedule.

GENERAL MANAGER RECOMMENDATION:

Adopt Resolution Number 2024-12 to establish Salary Schedule.

FISCAL IMPACT: Adopting Resolution 2024-12 will establish a Salary Schedule for all employees.

DISCUSSION:

The City of Westmorland desires to maintain current state requirements which include publishing and posting current salary schedule. This is a working document and can be modified as needed by a majority of City Council.

CONCLUSION:

The job titles and salaries are included in the FY 2024-25 Budget that may be adopted by Resolution 2024-09 on June 18, 2024.

Respectfully Submitted,

Laura Fischer, Manager

Attachment: Resolution Number 2024-12

RESOLUTION NO. 2024-12

A RESOLUTION OF THE CITY OF WESTMORLAND ADOPTING A SALARY SCHEDULE FOR FISCAL YEAR 2024-2025

WHEREAS, the City Manager has submitted the 2024-2025 Budget to the City Council for its review and consideration in accordance with standard budget policies and practices, and

WHEREAS, the 2024-2025 Budget is effective on July 1, 2024 and is based upon public comment and direction of the City Council received at scheduled public meetings on May 1, 2024, May 15, 2024 and June 5, 2024; and

WHEREAS, in said fiscal year beginning July 1, 2024, the Salary Schedule for all employees is established; and

WHEREAS, the following monies allocated to fully fund the Salary Schedule is hereby appropriated; and

WHEREAS, the increase in salary shall be effective on January 1, 2025

ATTACHED AS EXHIBIT A

NOW, THEREFORE, THE CITY COUNCIL FOR THE CITY OF WESTMORLAND, DOES HEREBY RESOLVE AS FOLLOWS:

- 1. That the foregoing is true, correct and adopted.
- 2. That the City Council finds that the Salary Schedule for FY 2024-2025 is based upon reasonable estimates of revenues and expenditures.
- 3. That the City Council of the City of Westmorland does hereby adopt this Resolution approving the Fiscal Year 2024-2025 Salary Schedule as set forth.
- 4. That the Mayor of the City Council of the City of Westmorland is hereby authorized to sign said Resolution, a copy of which is on file at the City Clerk's office.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Westmorland held on the 18th day of June 2024.

CITY OF WESTMORLAND Report to the City Council

MEETING DATE: June 18, 2024

FROM: Laura Fischer, General Manager

SUBJECT: Adopt Resolution Number 2024-10 to Adopt the Five Year Capital

Improvement Program of Project List.

ISSUE:

Shall the City of Westmorland City Council adopt Resolution Number 2024-10 to adopt the five-year Capital Improvement Budget?

GENERAL MANAGER RECOMMENDATION:

Adopt Resolution Number 2024-10 to adopt the Modified Five-Year Capital Improvement Budget as Presented.

FISCAL IMPACT:

The proposed City Five-Ten Year Capital Improvement Budget totals \$22,211,350 not including prior year projects. For Fiscal Year 2024-25 the total Capital Improvement Budget is \$4,341,219 total all funds.

DISCUSSION:

The City's Capital Improvement Budget reflects the current and future needs of the City. Staff has developed projects with estimated cost in anticipation of new regulations, population growth projections, and other demands on our City infrastructure. The projects listed include for FY 2024-25 include:

CONCLUSION:

This presentation is the first draft presented to the Council for review. You will notice that there are not any park projects on the CIP, because I haven't received direction on what our plans are for parks. These CIP projects should be discussed and could be incorporated into our Strategic Planning process to establish a plan for improvements.

It is recommended that the Council review and approve the CIP budget and direct staff to bring the CIP back for consideration and adoption including Resolution 2024-10 to adopt the Five Year Capital Improvement Program of Projects List.

Respectfully Submitted,

Laura Fischer General Manager Attachments: Five Year CIP Budget

CITY OF WESTMORLAND Report to the City Council

MEETING DATE: June 18, 2024

FROM: Laura Fischer, Manager

SUBJECT: Adopt Resolution 2024-11 Establishing Reserve Policy

ISSUE:

Shall the City of Westmorland City Council Adopt Resolution 2024-11 Establishing Reserve Policy.

GENERAL MANAGER RECOMMENDATION:

Adopt Resolution Number 2022-110Adopting the Reserve Resolution 2024-11.

FISCAL IMPACT: Adopting Resolution 2024-11 will establish a reserve budget to allocate Fund Balance for FY 2024-25 to ensure adequate funding to complete projects.

DISCUSSION:

The City of Westmorland desires to maintain current and comprehensive financial policies which can be identified and approved each year via Resolution. The level of reserves and recommended uses are reviewed each year at budget adoption and approved by City Council. This is the first year that the City has established reserves and as such the purpose nature of restrictions should be established.

Purpose

The purpose is to reduce the risk of financial impacts resulting from a natural disasters or other catastrophic events; respond to the challenges of a changing economic environment, including prolonged downturns in the local, state or national economy. Demonstrate continued prudent fiscal management and creditworthiness, and provide funding stability for core services and infrastructure funded through the General Fund and all enterprise funds.

Classifications and Nature of Restrictions

- Non-spendable- Cannot be readily converted to cash
 - Resources which cannot be spent because they are either a)not a spendable form or be legally or contractually required to be maintained intact.
- Restricted- Externally imposed restrictions
 - Resources with constraints placed on the use of resources which are either

 a) externally imposed by creditors (such as through debt covenants),
 grantors, contributors, or laws or regulations of other governments; or b)
 imposed by law through constitutional provisions or enabling legislation.
- Committed- City Council imposed commitment
 - Resources which are subject to limitations the government imposes upon itself at its highest level of design making (City Council) and that remain binding unless removed in the same manner.

- Assigned- City Council assigned purpose/intent
 - Resources neither restricted nor committed for which a government has a stated intended use as established by the City Council or a bod or official (management) to which the City Council has delegated the authority to assign amounts for specific purposes.
- Unassigned- Residual balance not otherwise restricted
 - Resources which cannot be properly classified in one of the other four categories. The General Fund should have a positive unassigned fund balance amount.

Budget Stabilization and Catastrophic Event Reserve Based on Operating Reserves.

Funds reserved under this category shall be used to mitigate, should they occur, annual budget revenue shortfalls (actual revenues less than projected revenues) due to changes in the economic environment and/or one-time expenditures that will result in future efficiencies and/or budgetary savings.

Examples of "economic triggers" and one-time uses include, but are not limited to:

- Significant decrease in property or sales tax, or other economically sensitive revenues;
- Loss of businesses considered to be significant sales tax generators;
- Reductions in revenue or increases in expenditures due to actions by the state/federal government;
- Workflow/technical system improvements to reduce ongoing, personnel costs and enhance customer services;
- One-time maintenance of service levels due to significant economic/budget constraints; and
- One-time transitional costs associated with organizational restructuring to secure long-term personnel cost savings.

Funds reserved under this category shall also be used to mitigate costs associated with unforeseen emergencies, including natural disasters or catastrophic events. Should a catastrophic disaster or loss of a significant source of the City's property and sales tax revenue occur, the required reserve level should be adequate to meet the City's immediate financial needs. For example, in the event of natural disaster, this General Fund Reserve would provide necessary coverage for basic operating expenses for approximately 180 days, including salary and benefits for safety and non-safety City employees, while still meeting debt service obligations. This time frame would enable the City to explore other available cash alternatives.

Capital Assets and Infrastructure Replacement Reserve.

The City will maintain a Reserve for Capital Assets and Infrastructure Replacement. These reserves will be utilized to make major capital asset purchases such as information technology upgrades, fleet vehicles, and various equipment. Additionally, this reserve will be utilized to make improvements to and replacement of City buildings and infrastructure. Recommendations for use of these reserves will be made during the annual budget review and adoption process.

This Reserve will be funded at \$3,181,866 with the adoption of the Fiscal Year 2024-25 budget. It should be the long-term goal of the City to build and replenish this reserve in an amount equal to the estimated replacement cost of all City capital assets at the end of their design life and to use this reserve for such replacements.

Excess Fund Balance

At the end of each fiscal year, the Finance Department reports on the audited year-end financial results. Should actual General Fund revenues exceed expenditures and encumbrances, a year end operating surplus shall be reported. Any year-end surplus that results in the General Fund balance exceeding the Reserve level required by this reserve policy shall be available for allocation for the following, subject to Council approval:

- Offset projected future deficits
- Anticipated intergovernmental fiscal impacts
- One-time funding, non-recurring needs
- Loan repayment acceleration
- Upon funding of the above, the division of remaining surplus balances shall be recommended to the City Council between the Capital Assets and Infrastructure Replacement, based on most critical needs at that time.

CONCLUSION:

It is recommended that the City Council review the Reserve Budget.

Respectfully Submitted,

Laura Fischer, Manager
