

CITY OF WESTMORLAND CITY COUNCIL REPORT

DATE: November 5, 2025

FROM: Laura Fischer, Manager

SUBJECT: Information Only Regarding Honey Festival Support

INFORMATION ONLY: Update on the Honey Festival

DISCUSSION:

The Regional Chamber of Commerce will be hosting the Westmorland Honey Festival on November 15, 2025. The City of Westmorland participates in the Honey Festival by providing maintenance of the parks, equipment, setting up barricades, blocking streets, trash cans set up and dumping as well as other services.

The city employees that work this event work overtime, which cost the city either some money for payment, or lack of personnel during the busy work week.

This is a great event for the City of Westmorland and puts our community on the map and is recognizable as the honey capital of the world.

I am going to contact the Chamber and let them know of the efforts (like kind donations) we are providing so we can get recognized as a sponsor of the event.

Ramiro and his crew are working hard to prepare for the event, and we hope to have all of our new trees planted by that time.

The city's consultant for our downtown zoning project, MIG, will be at the event presenting materials.

I wanted to know if any Council members want to have a booth to provide information about the city or upcoming events.

Respectfully Submitted,
Laura Fischer
